<b>Level/Salary Range:</b>	Competitive Salary with Benefits & Annual Bonus	<b>Position Type:</b>	Full-Time & Contractual Opportunities

## Role and Responsibilities:

Since our inception in 2008, Behavioral & Educational Solutions (BESDC) has positioned itself as a leader in mental health and social support services for children and families in the DC Metro area. Our team of psychologists, speech and language pathologists, social-workers, and behavioral analysts provide support, resources, solutions, respite, and education so families can increase engaged quality time together. We are committed to collaborating with families and schools so interventions are solution focused, culturally sensitive, and developmentally appropriate. We are a team of young, culturally diverse, and energetic professionals committed to providing comprehensive services that serve the entire child and nurture his/her development. We are looking for like-minded professionals.

We're seeking an innovative and forward-thinking bilingual (Spanish/English) school psychologist (MS or PhD) or child/adolescent licensed psychologist (or license eligible) who seeks to establish and grow a long-term career with us.

This position is ideal for recent graduates, post-doctoral candidates, or early career professionals looking to practice in a variety of settings and age-groups. We have opportunities to work providing therapy, evaluations, and parent coaching in our clinic, as well as, a mental health consultation with area pre-schools, and elementary to high school clients. Populations served include early child, school age, adolescents, and young adults.

### What the Ideal Candidate looks like:

Bilingual Spanish and English speaker

Passionate about making sure the needs and welfare of clients are a priority.

Demonstrate a strong commitment to providing best practice services.

Willing to work collaboratively with other disciplines, community agencies, and educational and judicial systems.

Possess the ability to develop professional relationships and be flexible in complex situations.

Have the ability to work independently.

STRONG organizational skills with keen attention to detail.

### Duties include (but are not limited to):

- Psychological assessments and report writing.
- Individual and group therapy within clinical and educational settings.
- Diagnose disorders, including nature and extent, and determine the appropriate course of treatment.
- Conduct parent and teacher workshops and trainings
- Functional Behavioral Assessments.
- Consultation with teachers and parents.
- Implement goal specific and measurable treatment plans.
- Deliver crisis response and intervention services.
- Participate in disciplinary proceedings, mediations, administrative reviews, hearings and due process proceedings.
- Maintain patient confidentiality according to HIPAA guidelines.
- Apply a wide degree of creativity and latitude.
- Manage caseload assignments.

### Qualifications and Educational Requirements:

- MS or EDS in School Psychology or Doctorate in Psychology (School Psychology or Clinical-Child Psychology).
- Completion of internship, NASP or APA accredited preferred.
- NCSP (or NCSP eligible) and/or License in the State of Maryland (or license eligible).
- Experience in assessment and providing behavioral and educational interventions for children and adolescents.
